

## Farvemærkede Blå kærhøg - *Circus cyaneus*

Fra Internettet på engelsk

### Blå kærhøg - *Circus cyaneus* Hen Harrier - *Circus cyaneus*

#### TYSKLAND

Combination of a blue c-ring with white code (1 letter, 1 number) and metal ring (on other leg) [2007].

Combination of a blue c-ring with white code (1 letter, 1 number) and metal ring and a c-ring (on other leg) [2008].

Jochen Dierschke, Zedeliusstr. 31, D-26384 Wilhelmshaven.

e-mail: jochen.dierschke ADD web.de

note 1 : the birds are ringed on the East Frisian Islands/Niedersachsen/Germany. The uncoded colour-ring on one leg is the marker for the island, while the blue ring with inscription is for the individual. The colour for the islands will remain the same for the next years, but I will switch leg and/or ring position to mark the year of ringing.

#### IRLAND

One coloured wing tag on each wing with code.

Dr. Sandra Irwin, Project Manager PLANFORBIO Programme, Dept. of Zoology, Ecology & Plant Science, Distillery Fields, North Mall, University College Cork, Cork, Ireland.

e-mail : s.irwin ADD ucc.ie

tel: +353 21 4904595 ; fax: +353 21 4904664 ; mob. +353 87 4188782
